ABOUT THE ERASMUS+ ICMED PROJECT

ICMED aims at strengthening the capacity of Higher Education staff in Algeria, Morocco and Tunisia to deal with Erasmus+ International Credit Mobility & International Mobility Programmes in general, through the implementation of a comprehensive Training Programme. By fostering information and sharing best practices, the project is expected to contribute towards an innovative, effective and efficient management of International Credit Mobility in the MENA region.

ABOUT THE CONFERENCE

The conference represents an opportunity to discuss about the future challenges of International Credit Mobility in the Euro-Mediterranean Region. On this occasion, Rectors, Vice-Rectors, International Relations Officers, students, International Institutions, policy makers and other stakeholders will meet to exchange best practices, experiences and information on international mobility programmes.

This also represents an opportunity to network with representatives of both international institutions and universities.
